General Course Information

Course Description

This course provides a study of the fundamentals of developmentally appropriate curriculum design and implementation in early care and education programs for children birth through age eight. Concurrent enrollment in CDEC 2166 Practicum is required.

Student Learning Outcomes

	NAEYC Standards
See attached NAEYC Associate Standards.	
Define developmentally appropriate practices	S5
Describe the process of child-centered curriculum development	
Develop guidelines for creating learning environments.	
Describe teacher roles in early childhood classrooms.	
Prepare a developmentally appropriate schedule including routines and transitions	
Select, plan, implement, and evaluate developmentally appropriate learning experiences for children.	

Course Objectives (Scans and Foundations Skills noted)

1. Define developmentally appropriate practices. (F1, F2)

- Describe developmentally appropriate practices as they apply to infants/toddlers, preschool and school age children, including children with special needs. (C7, C12)
- Evaluate classrooms to determine their placement on a continuum from developmentally appropriate to inappropriate, in relation to room arrangement, activities, materials and equipment. (F9, F1)
- Explain the value of play and its relationship to developmentally appropriate practices.(C7, C12)
- Describe how cultural and linguistic diversity are a part of developmentally appropriate practices. (C7, C12, C14, F9, F11, F15)

2. Describe the process of child-centered curriculum development. (F1)

- Compare curriculum approaches/models. (C7, C12, F2, F9)
- Discuss the application of anti-bias curriculum. (F12)
- Analyze different approaches to curriculum planning. (F12)
- Describe a variety of assessment strategies and their role in the curriculum planning process. (F5,F12)
- Develop lesson plans for a specific group of children. (F5, F12)
- Discuss planning and implementation of curriculum and instructional practices based on knowledge of individual children, the community, and curriculum goals and content. (C7, C9, C12, C14, F2, F9)
- Analyze and develop an anti-biased, developmentally appropriate curriculum. (C14, F15)

3. Develop guidelines for creating learning environments. (F1, F2, C7)

- Describe the relationship between children's ages and developmentally appropriate indoor and outdoor learning environments. (C12, F6, F9, F11)

- b. Define learning centers and/or activity zones and their relationship to learning through play. (C12, F6, F9, F11)
- c. Describe basic arrangement of learning centers in developmentally appropriate indoor learning environments (e.g., art near water). (C2, F9, F11)
- d. Describe developmentally appropriate outdoor learning environments. (C12)
- e. Describe how to enhance creativity & aesthetics in the environment. (C12, F9, F11)

4. Apply an understanding of teacher roles in early childhood classrooms. (F6)

- a. Describe various roles of a teacher (e.g., observer, questioner, etc.)(F5, F9, F11 F13, F14, F15, F16)
- b. Practice teacher roles in early childhood classrooms. (C9, C14, C15, F2)
- c. Demonstrate the ability to select the appropriate teacher role. (C9, C14, C15, F2)
- d. Adapt indoor and outdoor environment for children with special needs. (C7, C12, C14, F1, F2, F9, F11)

5. Prepare a developmentally appropriate schedule including routines and transitions. (F1, F2)

- a. Compare appropriate and inappropriate schedules for infants/toddlers, preschool and school age children.
- b. Describe developmentally appropriate routines for use in classrooms. (C7, C12, F9, F11)
- c. Define and describe how to use transitions in classrooms. (C7, C12, F-9, F11)
- d. Develop an appropriate schedule for a specific group of children. (C1, C9, C10)

6. Select, plan, implement and evaluate developmentally appropriate learning experiences. (C7, C12, F9, F11)

Evaluation Methods

- Attendance & Participation
- Weekly Assignments
- Quizzes and Exams
- Curriculum Project – Key Assessment

Academic Integrity

It is the aim of the faculty of South Plains College to foster a spirit of complete honesty and a high standard of integrity. The attempt of any student to present as his or her own any work which he or she has not honestly performed is regarded by the faculty and administration as a most serious offense and renders the offender liable to serious consequences, possibly suspension.

Cheating: Dishonesty of any kind on examinations or on written assignments, illegal possession of examinations, the use of unauthorized notes during an examination, obtaining information during an examination from the textbook or from the examination paper of another student, assisting others to cheat, alteration of grade records, illegal entry or unauthorized presence in the office are examples of cheating. Complete honesty is required of the student in the presentation of any and all phases of coursework. This applies to quizzes of whatever length, as well as to final examinations, to daily reports and to term papers.

Plagiarism: Offering the work of another as one's own, without proper acknowledgment, is plagiarism; therefore, any student who fails to give credit for quotations or essentially identical expression of material taken from books, encyclopedias, magazines and other reference works, or from themes, reports or other writings of a fellow student, is guilty of plagiarism.

**National Association for the Education of Young Children (NAEYC)
Professional Standards and Competencies for Early Childhood Educators**

Standard 1: Child Development and Learning in Context

- 1a: Understand the developmental period of early childhood from birth through age 8 across physical, cognitive, social and emotional, and linguistic domains, including bilingual/multilingual development.
- 1b: Understand and value each child as an individual with unique developmental variations, experiences, strengths, interests, abilities, challenges, approaches to learning, and with the capacity to make choices.
- 1c: Understand the ways that child development and the learning process occur in multiple contexts, including family, culture, language, community, and early learning setting, as well as in a larger societal context that includes structural inequities.
- 1d: Use this multidimensional knowledge – that is, knowledge about the developmental period of early childhood, about individual children and about development and learning in cultural contexts – to make evidence-based decisions that support each child.

Standard 2. Family-Teacher Partnerships and Community Connections

- 2a: Know about, understand and value the diversity of families.
- 2b: Collaborate as partners with families in young children’s development and learning through respectful, reciprocal relationships and engagement.
- 2c: Use community resources to support young children’s learning and development and to support families, and build partnerships between early learning settings, schools, and community organizations and agencies.

Standard 3. Child Observation, Documentation, and Assessment

- 3a: Understand that assessments (formal and informal, formative and summative) are conducted to make informed choices about instruction and for planning in early learning settings.
- 3b: Know a wide range of types of assessments, their purposes, and their associated methods and tools.
- 3c: Use screening and assessment tools in ways that are ethically grounded and developmentally, ability, culturally, and linguistically appropriate in order to document developmental progress and promote positive outcomes for each child.
- 3d: Build assessment partnerships with families and professional colleagues.

Standard 4. Developmentally, Culturally, and Linguistically Appropriate Teaching Practices

- 4a: Understand and demonstrate positive, caring, and supportive relationships and interactions as the foundation of early childhood educators’ work with young children.
- 4b: Understand and use teaching skills that are responsive to the learning trajectories of young children and to the needs of each child, recognizing that differentiating instruction, incorporating play as a core teaching practice, and supporting the development of executive function skills are critical for young children.
- 4c: Use a broad repertoire of developmentally appropriate, culturally and linguistically relevant, anti-bias, evidence-based teaching skills and strategies that reflect the principles of universal design for learning.

Standard 5. Knowledge, Application, and Integration of Academic Content in the Early Childhood Curriculum

- 5a: Understand content knowledge – the central concepts, methods and tools of inquiry, and structure – and resources for the academic disciplines in an early childhood curriculum.
- 5b: Understand pedagogical content knowledge – how young children learn in each discipline – and how to use the teacher knowledge and practices described in Standards 1-4 to support young children’s learning in each content area.
- 5c: Modify teaching practices by applying, expanding, integrating, and updating their content knowledge in the disciplines, their knowledge of curriculum content resources and their pedagogical content knowledge.

Standard 6. Professionalism as an Early Childhood Educator

- 6a: Identify and involve themselves with the early childhood field and serve as informed advocates for young children, families, and the profession.
- 6b: Know about and uphold ethical and other early childhood professional guidelines.
- 6c: Use professional communication skills, including technology-mediated strategies, to effectively support young children’s learning and development and to work with families and colleagues.
- 6d: Engage in continuous, collaborative learning to inform practice.
- 6e: Develop and sustain the habit of reflective and intentional practice in their daily work with young children as members of the early childhood profession.
