Attendance Policy

Students are expected to attend all classes in order to be successful in a course. The student may be administratively withdrawn from the course when absences become excessive as defined in the course syllabus.

When an unavoidable reason for class absence arises, such as illness, an official trip authorized by the college or an official activity, the instructor may permit the student to make up work missed. It is the student's responsibility to complete work missed within a reasonable period of time as determined by the instructor. Students are officially enrolled in all courses for which they pay tuition and fees at the time of registration. Should a student, for any reason, delay in reporting to a class after official enrollment, absences will be attributed to the student from the first class meeting.

Students who enroll in a course but have "Never Attended" by the official census date, as reported by the faculty member, will be administratively dropped by the Office of Admissions and Records. A student who does not meet the attendance requirements of a class as stated in the course syllabus and does not officially withdraw from that course by the official census date of the semester, may be administratively withdrawn from that course and receive a grade of "X" or "F" as determined by the instructor. Instructors are responsible for clearly stating their administrative drop policy in the course syllabus, and it is the student's responsibility to be aware of that policy.

It is the student's responsibility to verify administrative drops for excessive absences through MySPC using his or her student online account. If it is determined that a student is awarded financial aid for a class or classes in which the student never attended or participated, the financial aid award will be adjusted in accordance with the classes in which the student did attend/participate and the student will owe any balance resulting from the adjustment.

Specific Attendance Policy Restated

1. All students enrolled for this course are expected to attend class regularly, be on time, and remain until dismissed.
2. Roll will be taken at each class meeting.
3. If a student is tardy, he/she should speak with the instructor after class to avoid having tardies count toward absences.
4. Two (2) tardies in a MW, TR, or summer class will constitute an absence.
5. If a student leaves class prior to dismissal of the class, he/she will be counted absent.
6. Whenever absences become excessive and minimum course objectives cannot be met, the student should initiate withdrawal from the course.
7. "Excessive absences" can be defined as more than TWO (2) unexcused absences through the course of the semester.
8. The only absences labeled as "excused" are those absences due to participation in school functions, or documentable absences due to illness (doctor's note required in the next class period), or a death in the family requires the student to be in attendance of a funeral (proof required).
9. **The instructor may administratively drop a student due to excessive absences.**
10. Students are responsible for all classwork covered during absences from class even in cases in which they are able to satisfy the instructor that the absence was unavoidable.

Make-Up Policy:

Make-up work is **NOT** guaranteed. All work has a deadline and deadlines must be met even if the student is absent. See the professor's locator information for emailing work if you are not in class. An absence on the day that you are scheduled for oral presentations or examinations will result in a grade of zero for the assignment unless you meet one of the following requirements. Students may only make up speeches in the event of sickness or the death of a family member and in both cases must provide proof. In the case of sickness, a doctor's note is required to make up a speech. If you don't go to the doctor, then you are not sick enough to miss class! In the event of a funeral, the funeral program or obituary is required. These are the only two cases accepted for any form of makeup speeches. Being unprepared OR not knowing the date of your speech is not an acceptable excuse! If, according to the instructor's discretion, the student is allowed to make up such a presentation or exam, the student will automatically receive a grade drop of 10 points for the assignment. Only **ONE** speech may be made up during the semester on the designated date for make ups.
