"Texas Senate Bill 11 (Campus Concealed Carry) Concealed Carry of Handguns on Campus (BP)

This Policy is intended to establish guidelines and procedures for the implementation of the state statute authorizing the concealed carry of handguns on the premises of South Plains College. These rules and regulations were established by the president of South Plains College in consultation with faculty, staff, and students and reviewed by the SPC Board of Regents.

This policy will become effective August 1, 2017 and is intended to be in conformity with the requirements of Texas Government Code Section 411.2031.

POLICY/PROCEDURE

1. Definition

- a.** Campus – all land and buildings owned or leased by South Plains College as lessee.
- b.** Premises – a building or portion of a building.
- c.** Handgun license holder – an individual licensed to carry a concealed handgun under Subchapter H, Chapter 411 of the Texas Government Code (“Chapter 411”). Generally, such an eligible individual must be at least 21 years of age, not have a criminal record as defined by the code, and meet certain education and proficiency requirements. Chapter 411 contains some exceptions to the age requirement (e.g., ex-military personnel).
- d.** Concealed handgun – a handgun, the presence of which is not openly discernible to the ordinary observation of a reasonable person.
- e.** Exclusionary zone – any premise in which the carry of a concealed handgun is prohibited by virtue of Texas statute or these rules.
- f.** Secure Storage – a locked vehicle or a locked gun safe.

2. General Provisions

- a.** Subject to applicable Texas or federal laws and rules adopted by the College, individuals holding a valid Texas Concealed Handgun License (CHL) or the new state designation for the same, License to Carry (LTC), will be allowed to carry their handgun, concealed on their person, on the campus of South Plains College.
- b.** Pursuant to Texas Penal Code Sections 46.035 and 30.07, the open display of a handgun in plain view of another person on South Plains College property is never allowed except by an authorized individual such as a peace officer while in the actual discharge of his/her duty.
- c.** While South Plains College will employ all reasonable means to delineate exclusionary zones by signage in accord with Texas statutory law, it is the responsibility of the permit holder to know, understand, and follow these rules and applicable laws while on the

campus of South Plains College. Holders of such permits are bound by state and federal law and may face criminal or civil penalties for violation of those statutes.

d. Authorized permit holders are not required to disclose their concealed carry license status to anyone other than a law enforcement officer. The College will not maintain a list of concealed carry license holders. This information is not a matter of public record. South Plains College employees (other than law enforcement officer) may not, under any circumstances, require students or employees to disclose their concealed carry license status.

Requests for exclusion must be provided in writing to the Office of the President at least 45 days prior to the date of the event.

e. To assist in the process of approving exclusions, a standing committee titled the Campus Carry Committee will be established.
